

## Collaborations

Sometimes we work with carefully selected partners who, in our opinion, offer products and services that may be of interest to you because they complement our own service offer.

For example, we have had the collaboration —once only or temporarily— with a photography agency to help us improve profile photos, with festivals to invite you to specific outside events or with a babysitting agency to allow you to enjoy a bit of free time for a date.

If you wish to receive communications about the products, services and promotional offers of these collaborators, you can register and check the corresponding box that appears when creating an account, as well as in your account settings. Of course, you can cancel your registration at any time, simply by unchecking this box.

Below, you will find a list of our collaborations for 2023:

Ticketbis S.L., a company incorporated in Spain, whose main place of business is Calle Uribitarte nº6, 48001 Bilbao, Vizcaya, Spain.

Offer: 12 tickets for music concerts of 6 different genres.
